About Us

Founded in 2002, we specialize in handmade pouches, bags and packaging, primarily for cosmetic brands as promotional gifts (e.g., gift-with-purchase items).

We also offer M+CMT (Materials + Cut, Make, Trim) services for private-label products.

Our range includes small pouches, clutches, handbags, backpacks, and travel bags, with full-service design and material consultation.

Powered by skilled artisans, our monthly production capacity reaches 40,000–100,000 pouches or 20,000–40,000 bags, depending on design complexity.

We combine creativity with strict quality standards to build and maintain long-term partnerships.
